WOMEN VETERANS ROSTER

Did you serve in the U.S. military? If you answered "yes", you need to complete this form!

There are approximately 185,000 women veterans in California, many of whom are not aware of the benefits, services and resources available to them. Many women veterans also do not know what they are eligible to receive or may qualify for.

The CalVet Division for Women Veterans Affairs and the Commission on the Status of Women and Girls are providing this form so that you register on the CalVet Women Veterans Roster. As part of this roster, you will receive updated information about benefits, programs, services and resources throughout California. This information will also give CalVet the demographic information needed to provide improved outreach and services to women veterans.
